JFE Holdings regards the return of profits to shareholders as one of its priorities. The Company's policy is to actively pay out dividends while also ensuring a sustainable corporate foundation for the entire Group. Specifically, the Company generally sets dividends based on a consolidated payout ratio of around 30%.

The Company previously did not disclose a yearend dividend forecast for fiscal 2022. At the upcoming General Meeting of Shareholders, however, based on the abovementioned policy and in view of the fiscal 2022 financial results forecast, the Company has decided to propose a yearend dividend of 30 yen per share, resulting in 80 yen per share for the full year.
