Notes: 1 Conditions necessary for the approval of proposals:

- Proposal 1 and 4 require that the majority of the voting rights exercised by shareholders eligible for exercising their voting rights who attended the General Meeting of Shareholders are affirmative.
- Proposal 2 and 3 require that 1) the number of total voting rights held by shareholders who attended the General Meeting of Shareholders equals or exceeds one-third of the voting rights held by shareholders eligible for exercising their voting rights, and 2) the majority of the voting rights exercised by shareholders who attended the General Meeting of Shareholders are affirmative.

2 The ratio of affirmative votes is calculated by dividing the number of affirmative votes by the sum of the number of voting rights exercised in writing using voting forms or via electronic media (including the Internet) by the day prior to the date of the General Meeting of Shareholders and the number of voting rights held by shareholders who attended the General Meeting of Shareholders. The total number of voting rights is different for each proposal due to variations in the number of invalid votes per proposal.

(4) Reasons for not including certain of the voting rights exercised by shareholders who attended the General Meeting of Shareholders in the number of affirmative votes, negative votes or abstentions

The resolutions were legally approved pursuant to the Companies Act because the conditions necessary for the approval of each proposal were satisfied when a certain number of votes of the shareholders who attended the General Meeting of Shareholders were confirmed as affirmative, negative or abstentions by the Company, in addition to the voting rights exercised in writing using their voting forms and via electronic media (including the Internet) by the day prior to the date of the General Meeting of Shareholders. Therefore, the number of affirmative votes, negative votes and abstentions does not include the number of voting rights exercised by shareholders who attended the General Meeting of Shareholders but were not confirmed as any one of these three.
